

A PIEDI BY DAVIDE DOPPIONI

At the heart of each piece of the exquisite A Piedi collection, the spirit of ancestral craftsmanship beats, an expression of the passion and dedication of our expert artisans.

With its gentle relief and captivating colours of its coloured clay, each piece is a canvas of creativity, an ode to authenticity. The lattice, a faithful reflection of the mastery of yesteryears, transports us to an artists' workshop, where time halts and legacy endures.

En el corazón de cada pieza de la exquisita colección A Piedi late el espíritu de la artesanía ancestral, una expresión de la pasión y dedicación de nuestros expertos artesanos.

Con su suave relieve y colores cautivadores de su masa coloreada, cada pieza es un lienzo de creatividad, una oda a la autenticidad. La celosía, fiel reflejo de la maestría de antaño, nos transporta a un taller de artistas, donde el tiempo se detiene y el legado perdura.
